If the motorcycle is in good condition (fair wear and tear accepted) and has not exceeded the maximum agreed mileage you will have nothing further to pay. If the motorcycle has exceeded the maximum agreed mileage a charge for excess mileage will apply - in this example 6p per mile + VAT for any excess mileage up to 4,999 miles and 12p per mile + VAT for any excess mileage exceeding 4,999 miles. (2) Pay the Optional Final Repayment to own the motorcycle or (3) Part exchange the motorcycle subject to settlement of your existing finance agreement; new finance agreements are subject to status. We can introduce you to a limited number of lenders to assist with your purchase, who may pay us an introduction fee. Guaranteed future values (Optional Final Payment) may vary from month to month.
